

Zámocká viecha

P E Z I N O K

Welcome!

We wish you nice moments in our traditional Zámocká viecha (Castle Tavern) located in the castle Šimák Zámok Pezinok. We hope that you will enjoy your gastronomy experience and taste our excellent wine made in our Zámocké vinárstvo (Castle Winery).
We are glad that you came!

History of the Castle

In the 13th century, the original water castle was seat of magnates of Svätý Jur and Pezinok. After eight hundred years the renewed castle opens own gates. Štefan, from the Šimák family, built here a winery, hotel and opened the exhibitions of wine, glass as well as of the Pálffy family.

The end of the Austrian Hungarian Empire and establishment of Czechoslovakia, as well as the two world wars signified for the Castle Pezinok bad times. In 1930, the Pálffy family sold the Castle in already devastated condition to the town.

Starting from 1936, The Slovak Wine Grower Association operated in the castle and later in 1951 was absorbed by the state owned Winemaker Factory. Since 1968, in one part of the estate – in a distillery, the most famous Czecho-Slovak brandy – Carpathian Brandy Special, with a knight on label, was produced.

WINE LIST

All our wines labelled ŠIMÁK ZÁMOK PEZINOK are born in almost mysterious cellars of the Pezinok Castle under the auspices of Roman Janoušek, an experienced enologist. Wines with elegant colour and charming aroma. Wines with a taste dominated by unexchangeable character, representing a combination of technologies of our fathers and of ourselves. We produce wine from grapes harvested in our vineyards in Southern Slovakia, in Dubník and Svodín, where we grow vine on 100 hectares. We would like to turn your attention to several awards to our high quality wines.
